

TABLE OF CONTENTS

HEPATIC

SECTION EDITOR: **Quyen D. Chu**

PREOPERATIVE DILEMMAS

- 1 What Imaging Modality Do I Need to Get to Assess Liver Lesions and How Do I Interpret Them? **1**
Guillermo P. Sangster, Maren Donato, and Horacio R.V. D'Agostino
- 2 How Do I Prepare A Patient For Hepatic/Biliary Surgery, How Much Future Liver Remnant (FLR) Is Needed In A Healthy Versus Cirrhotic Liver, and What Steps Should I Take If the FLR Is Inadequate? **12**
Cataldo Doria and Allison David
- 3 What Is the Ideal Margin Width After Hepatectomy for Colorectal Metastases and Hepatocellular Carcinoma? **17**
Ibrahim Nassour and Michael A. Choti
- 4 How Should I Manage Disappearing Colorectal Liver Metastases? **20**
Eliza W. Beal and Timothy M. Pawlik
- 5 Should I Treat Viral Hepatitis Before Resecting HCC? **26**
Junichi Shindoh
- 6 How Should I Manage A Patient with Recurrent Colorectal Liver Metastases and One with Synchronous Colorectal Liver and Lung Metastases? **31**
Anya Adair and Stephen J. Wigmore
- 7 Is There a Role for Liver Resection in Patients with Non-Colorectal, Non-Neuroendocrine Metastases? **37**
Anthony M. Villano and Lynt B. Johnson
- 8 What is the Utility of Liver Scoring Systems in the Management of Hepatocellular Carcinoma (HCC)? **44**
Ronald Matteotti, Steven J. Nurkin, and John F. Gibbs
- 9 Liver Hemangioma, Focal Nodular Hyperplasia, and Hepatic Adenoma: How Do I Tell Them Apart and When Should They Be Resected? **53**
Aras Emdadi, Gazi B. Zibari, and Quyen D. Chu
- 10 NASH, CASH, and Steatohepatitis: What Are the Concerns and How to Diagnosis Them? **67**
Hrishikesh Samant and Wuttiporn Manatsathit
- 11 How Should the HPB Surgeon Manage the Patient with Polycystic Liver Disease? **73**
Zaheer S. Kanji and Adnan A. Alseidi
- 12 How Do I Diagnose and Manage Amoebic and Pyogenic Liver Abscess? **81**
Avinash N. Supe and Vinaykumar B. Thapar
- 13 Should Hepatectomy be Performed in Octogenarians? **90**
Catherine H. Davis, Bradford J. Kim, and Thomas A. Aloia
- 14 How to Prepare for Major Liver Resection/ Pancreatectomy in a Jehovah's Witness Patient? **96**
Edward E. Cho, Houssam Osman, and D. Rohan Jeyarajah
- 15 Should We Resect Primary Colon Adenocarcinoma for Patients with Unresectable Liver Metastases? **104**
Jeffrey Reha and Pannandai S. Somasundar
- 16 Is There a Role for Living Donor Liver Transplantation for Hepatocellular Carcinoma? **109**
Khalid Khwaja and Robert A. Fisher
- 17 How Should I Handle Hepatocellular Carcinoma? Resection or Transplantation? **114**
Alagappan Annamalai and Andrew Klein

PRO/CON DEBATES

- 18** A Patient with Colorectal Cancer and Synchronous Liver Metastases:
- A) Simultaneous Resection of Primary and Metastases: **121**
Roberto Hernandez-Alejandro and Kerollos Nashat Wanis
- B) Liver Resection First (Reverse Strategy): **128**
Marc-Antoine Allard and René Adam
- C) Resect the Primary First: **133**
Somala Mohammed, Steven A. Curley, and Avo Artinyan
- 19** Neoadjuvant Chemotherapy for Colorectal Liver Metastasis:
- A) Pro: **137**
Eddie K. Abdalla
- B) Con: **143**
Michael E. Lidsky and Michael D'Angelica
- 20** Should Patients Undergo Associating Liver Partition and Portal Vein Occlusion for Staged Hepatectomy (ALPPS) or Two-Stage Hepatectomy (TSH)
- A) ALPPS: **149**
Fernando A. Alvarez and Eduardo de Santibañes
- B) Two-Stage Liver Resection: **158**
Takashi Mizuno, Rebecca A. Snyder, and Jean-Nicolas Vauthey
- 21** A Patient with Liver Metastases from Neuroendocrine Tumor
- A) Resection: **166**
Amar Gupta and Elijah Dixon
- B) Transplantation: **170**
Wellington Andraus, Daniel Reis Waisberg, and Luiz Augusto Carneiro D'Albuquerque
- 22** What Approach is Best for Hepatic Hydatid Cyst?
- A) Percutaneous: **179**
Okan Akhan, Turkmen Ciftci, and Devrim Akinci
- B) Surgical: **188**
Fernando Duek and Javier C. Lendoire

INTRAOPERATIVE DILEMMAS

- 23** How to Manage Tumors Involving the Retrohepatic Inferior Vena Cava **201**
Alan W. Hemming, and Jennifer Berumen

- 24** What Are the Different Techniques in Liver Parenchymal Dissection and Transection? **210**

Vincent E. de Meijer and Bas Groot Koerkamp

- 25** What Are the Different Vascular Control Techniques for Liver Resection and On Whom Should I Use Them? **214**
François Cauchy and Jacques Belghiti

POSTOPERATIVE DILEMMAS

- 26** What Are the Post-Hepatectomy Complications and How Should I Manage Them? **227**

Miguel-Angel Mercado and Hiram Raul Muñoz Gonzalez

BILIARY

SECTION EDITOR: **Gazi B. Zibari**

PREOPERATIVE DILEMMAS

- 27** How to Avoid Injuring the Biliary Tree During Laparoscopic Cholecystectomy and How to Manage it When it Does Happen? **232**
Dominic Sanford and Steven M. Strasberg
- 28** How Should I Manage Retained Common Bile Duct Stone(s) in Patients With and Without A Previous Gastric Bypass? **247**
Gazi B. Zibari and Quyen D. Chu
- 29** How Should I Manage Intrahepatic Biliary Stones? **261**
Henry A. Pitt, Janak Parikh
- 30** How Should I Approach a Cirrhotic Patient with Acute Cholecystitis? **268**
Jad Abou-Khalil and Scott Helton
- 31** How to Manage a Gangrenous Gallbladder. What To Do When the Biliary Anatomy Is Unclear? **274**
Felipe José Fernández Coimbra and Maria Luiza Leite de Medeiros
- 32** How Should I Manage Gallstone-Related Acute Cholangitis? **278**
Ronald S. Mowad and Quyen D. Chu
- 33** How Do I Diagnose and Manage Patients with Acute Acalculous Cholecystitis (AAC)? **283**
Ajay Jain, Natesh Yepuri, and Dilip S. Kittur

- 34 How to Diagnose and Manage Biliary Dyskinesia? 288
James McClintic and Kimberly Brown
- 35 How to Manage Cystic Duct Remnant and Post-Cholecystectomy Syndrome? 292
Lucio Lucas Pereira and Horacio J. Asbun
- 36 How Should I Manage a Patient with a Choledochal Cyst? 297
Danielle M. Fritze and Francisco G. Cigarroa
- 37 Should a Cholecystectomy Be Done For Gallstone Ileus? 305
Marcelo Fasano and Alberto R. Ferreres
- 38 How to Diagnose and Manage Caroli's Disease and Mirizzi's Syndrome? 311
Nathan Zilbert, Eisar Al-Sukhni, Shiva Jayaraman, and Sean Cleary
- 39 What Should I Do with An Incidentally Detected Gallbladder Polyp? 318
Mohammad Y. Zaidi, Aarti Sekhar, and Shishir K. Maithel
- 40 Do All Porcelain Gallbladders Need Surgery and, If So, Do I Need to Perform a Radical Cholecystectomy at the Onset? 327
Rachel E. Beard and David A. Geller
- 41 How to Differentiate Biliary Cystadenomas from Cystadenocarcinomas and How Should They be Managed? 331
Doug P. Slakey and David T. Pointer, Jr.
- 42 Who to Resect for Gallbladder Cancer and How Extensive Should the Resection Be? 337
Julie N. Leal and Brendan C. Visser
- 43 How Do I Diagnose and Treat Intrahepatic Cholangiocarcinoma? 344
Zeljka Jutric and Yuman Fong
- 44 Is Staging Laparoscopy Necessary for Potentially Resectable Perihilar Cholangiocarcinoma? 352
Robert J.S. Coelen and Thomas M. van Gulik
- 45 Should the Caudate Lobe Be Routinely Resected for Hilar Cholangiocarcinoma? 358
Masato Nagino
- 46 Should a Feeding Tube Routinely Be Placed For Patients Undergoing Hepato-Pancreato-Biliary Operations? 366
Austin Dosch and Aram N. Demirjian
- 47 Is Biliary Drainage of the Future Liver Remnant Important After Liver Resection for Perihilar Cholangiocarcinoma? 370
Laura M. Enomoto and Niraj J. Gusani
- 48 A) Portal Vein Is Involved In a Patient with Hilar Cholangiocarcinoma: Proceed with Surgery and Resect Portal Vein: 375
Palepu Jagannath and Gunjan Desai
B) What Is The Best Approach For Hilar Cholangiocarcinoma With Portal Vein Involvement? 386
Michelle Babicky and William R. Jarnagin

POSTOPERATIVE DILEMMAS

- 49 How Should I Manage Postoperative Bile Leak? 393
Blayne A. Sayed and David A. Kooby

PANCREAS

SECTION EDITOR: Charles M. Vollmer, Jr.

PREOPERATIVE DILEMMAS

- 50 A Patient Needs a Pancreatectomy But Has A Cardiac History Demanding Anticoagulation Therapy. How Do You Manage This? 399
Zachary Brown and Jonathan Hernandez
- 51 Is There a Role for the Surgeon in the Management of Locally-Advanced Pancreatic Cancer? 405
Michael D. Kluger and John A. Chabot
- 52 A Patient Has a Resectable Pancreatic Head Cancer But is 83 Years Old. Should I Perform a Whipple? 412
Sandeep Jhajj and Taylor S. Riall
- 53 The Patient Presents with a Pancreatic Head Mass with Jaundice and a Bilirubin of 20. Should You Operate Soon or Stent the Bile Duct? 419
Tyler S. Wahl and John D. Christein

- 54 A Resectable Pancreatic Head Tumor Invades the Transverse Mesentery and Would Require A Hemicolectomy. Is It Worth the Added Risk? 421
Joal D. Beane and Eugene P. Ceppa

- 55 A 25-Year-Old Female Presents with a Story of “Chronic Pancreatitis”. The Pancreas is Radiographically Normal. Should You Perform a Total Pancreatectomy with Islet Autoransplantation? 425
Katherine Morgan

- 56 A 55-Year-Old Patient Has Chronic Pancreatitis With a Head-Dominant Disease. What Operation is Best – Beger, Frey, Whipple, or Puestow? 430
Brent T. Xia, Vikrom K. Dhar, and Syed Ahmad

- 57 A Patient Has a 2.0 cm Side-Branch IPMN and is 45 Years of Age. Should I Operate or Follow? 440
Georgios Gemenetzi and Christopher L. Wolfgang

- 58 What Are Groove Pancreatitis and Pancreatic Divisum and How Do I Deal With Them? 446
David B. Adams and Andrew Hardie

PRO/CON DEBATES

- 59 A 1.5 cm Neuroendocrine Tumor is Identified in the Pancreatic Head. Should I Operate or Not?
A) The Case for Resection: 452
Catherine H. Frenkel and John D. Allendorf
B) The Case for Observation: 456
Alessandra Pulvirenti and Peter J. Allen
- 60 A Patient Presents with a Pancreatic Adenocarcinoma Which Is In Apposition with the Porto-splenic Confluence. Should I Operate Now or Later?
A) The Case for Up-Front Surgery: 460
Melanie K. Sion and Charles J. Yeo
B) The Case for Preoperative Therapy: 468
Jordan M. Clloyd and Matthew H.G. Katz

INTRAOPERATIVE DILEMMAS

- 61 A Pancreatic Cancer at the Portal Confluence Requires a Vein Resection. How Do You Reconstruct the Vein – Primary Repair, Venous Conduit, Synthetic Graft? 474
Jordan M. Clloyd and Jeffrey E. Lee
- 62 How to Manage the High-Risk Pancreatic Anastomosis? 481
Brett L. Ecker and Charles M. Vollmer, Jr.

- 63 Should I Place an Intraoperative Drain for Distal Pancreatectomy? 490
Zachary E. Stiles and Stephen W. Behrman

- 64 Should You Get Frozen Sections During a Whipple for Pancreatic Cancer or IPMN? 495
Jashodeep Datta and Jeffrey A. Drebin

- 65 Should the Spleen Be Preserved in a Distal Pancreatectomy? 501
William P. Lancaster and Attila Nakeeb

- 66 A Single Metastatic Focus is Identified in the Liver During a Planned Resection for Pancreatic Malignancy? Should I Proceed? 506
Alessandro Paniccia and Richard D. Schulick

- 67 You Find Locally Unresectable Disease During an Exploration for a Periapillary Cancer. How Do You Best Palliate? 510
Motaz Qadan and Keith D. Lillemoe

- 68 On Whom Should You Perform Local Excision Versus Pancreatoduodenectomy for An Ampullary Mass? 517
Andre Luis Montagnini and Thiago Nogueira Costa

PRO/CON DEBATE

- 69 Should I Place an Intraoperative Drain for Whipple’s Resection?
A) The Case for Drainage: 523
George van Buren 2nd and William Fisher
B) The Case Against Drain Use: 526
John W. Kunstman and Ronald R. Salem

POSTOPERATIVE DILEMMAS

- 70 A Septic Patient with a Completely Dehisced Pancreatico-jejunosotomy (ISGPF Grade C) Requires a Reoperation on POD#7. How Do You Manage This? 533
Rachel E. Beard and Mark P. Callery
- 71 How Should I Approach Post-Pancreatectomy Hemorrhage? 537
Major K. Lee, IV
- 72 A Patient Presents with An Intraluminal Hemorrhage After Whipple. What Do I Do Now? 544
Nisa Kubiliun and Rebecca M. Minter

- 73 A Patient Has a Chyle Leak Following a Pancreatic Resection. How Do You Manage This? 549
Carlos Chan and Gabriela Del Angel
- 74 There Is Bile In the Intraoperatively Placed Drain Early After A Whipple Resection. What Should You Do? 552
Jason B. Liu and Marshall S. Baker
- 75 When Should a Patient Who Requires a Splenectomy for a Distal Pancreatectomy Be Vaccinated? 557
Na Eun Kim and Teviah E. Sachs
- 76 A Patient Undergoes a Pancreatectomy for Pancreatic Cancer. Should They Receive Extended Anticoagulation Therapy Beyond Discharge? 561
Elizabeth A. Bailey and Robert E. Roses
- 77 A Stable Patient POD#7 From a Whipple is Ready for Discharge But Has a High Likelihood for Readmission. What Should You Do? 565
Zhi Ven Fong and Carlos Fernández-del Castillo
- 78 How Do I Manage a Patient Who Has “Failure to Thrive” Following a Pancreatic Resection? 569
Rachel E. Beard and Tara S. Kent

PRO/CON DEBATE

- 79 Should I Use a Somatostatin Analogue After a Whipple Resection?
A) Pro: 573
Shailesh V. Shrikhande and Esha Pai
B) Con: 578
Divya Sood and Andrew Lowy

TRANSPLANTATION

SECTION EDITOR: Susan L. Orloff

LIVER TRANSPLANTATION

PREOPERATIVE DILEMMAS

- 80 How Should I Optimize a Patient With Acute Cholecystitis and End-Stage Liver Disease? 582
Jared A. White and Devin Eckhoff
- 81 Management of Hepatorenal Syndrome— When to Start Hemodialysis and When is a Patient a Candidate for Simultaneous Liver Kidney Transplant? 589
Eric Langewisch and Scott Westphal
- 82 How Should One Optimally Treat a Patient with Hepatocellular Cancer Who is Waiting for a Liver Transplant? 596
Angela S. Volk and Joseph F. Buell
- 83 How Should Simultaneous Liver Kidney (SLK) Waitlisted Patient be Managed? What Is The Optimal Timing of Transplanting the Kidney? 601
Dave L. Scott
- 84 What Are the Protocols for Downstaging Hepatocellular Carcinoma (HCC) to Within Milan Criteria, Transplantation Outside of Milan Criteria? – Pros and Cons of Center Specific Approaches 604
Adeel S. Khan, Kathryn J. Fowler, and William C. Chapman
- 85 Management of Hepatic Hydrothorax on the Waitlist – Pleural Tube or Not? TIPS or Not? Indications and Strategies 611
Michael D. Voigt and Arvind Murali
- 86 How Should I Manage Patients with Hepatopulmonary Syndrome and Portopulmonary Hypertension Who Are On The Waitlist? 617
Amy Gallo, Roham T. Zamanian, and Waldo Concepcion
- 87 How Should I Manage Spontaneous Bacterial Peritonitis While the Patient Is On The Waitlist? When to Activate for Liver Transplantation? 627
Helen S. Te
- 88 How Should I Manage a Leaking Umbilical Hernia in High MELD Wait Listed Patients? 632
Devin E. Eckhoff and Jared A. White
- 89 Obesity In The Liver Transplant Candidate – What Is The Ideal Strategy? 637
Julie K. Heimbach
- 90 How Much Steatosis To Tolerate In The Donor Allograft? 644
Arun P. Palanisamy, Vinayak S. Rohan, and Kenneth D. Chavin
- 91 To Anticoagulate or Not in the Setting of a Waitlisted Patient with Portal Vein Thrombosis and Varices. What Agent to Use? 649
Michael Loudin and Joseph Ahn

- 92** Viral Hepatitis: How Should I Manage HBV in the Waitlisted Patient? **655**
James Fung and Marina Berenguer
- 93** The Management of Hepatitis C Before and After Liver Transplantation: When and When Not to Treat, and How to Treat When Treatment is Indicated? **659**
Richard Gilroy
- 94** How Should One Evaluate and Manage a Liver Transplant Candidate Who Also Has A Substance Use Disorder? **669**
Thomas Soeprono, Sara Houck, and Stacey McCandlish
- 95** When Is A Patient Too Sick to Transplant? Keeping the High MELD Patient Alive While Waiting for Transplant? **677**
Yumi Ando and Willscott Naugler
- 96** How Can Donor-Recipient Matching Optimize Donation After Circulatory Death (DCD) Liver Utilization? **683**
C. Kristian Enestvedt
- 97** What Are The Indications for Living Donor Liver Transplant (LDLT)? **688**
Kendra D. Conzen and Elizabeth A. Pomfret
- 98** How Do You Decide Whether to Use the Right Lobe or Left Lobe in a Live Donor Liver? **695**
Dong-Hwan Jung and Sung-Gyu Lee
- 99** What Are The Indications for Split Liver Transplantation, When to Use Both Livers; Right Lobe/Left Lobe, Left Lateral Section/Right Trisegment, etc? **702**
Esteban Halac and Javier Lendoire
- 100** How Should We Match Donor Organ Quality with Recipient Severity of Illness? **716**
Kenneth Washburn and Sylvester M. Black
- 101** Machine Perfusion Techniques to Enhance Quality of Marginal Liver Organs and to Prolong Ischemia Times Without Deleterious Effects – Which Approach is Best: Normothermic vs Hypothermic? **720**
David Nasralla and Peter J. Friend
- 102** Pediatric Liver Transplantation – What Are The Indications, Timing, Technical Aspects, and Complications? **726**
Oscar Inventarza and Guillermo Cervio
- 103** Should Transplantation Be Considered for Patients with Unresectable Cholangiocarcinoma? **743**
Charles B. Rosen
- 104** Is There a Role for Liver Transplantation for Metastatic Neuroendocrine Tumors? **752**
John F. Renz, Geraldine C. Diaz, and Christoph E. Broelsch
- INTRAOPERATIVE DILEMMAS**
- 105** Management of Hepatorenal Syndrome, Renal Insufficiency Intraoperatively-Intraoperative CRRT? **757**
Dragos M. Galusca and Marwan S. Abouljoud
- 106** How Should I Address Anastomotic Size Mismatches Between Donor and Recipient: (A) Bile Ducts, (B) Portal Veins, (C) Hepatic Arteries, (D) Hepatic Vein/Caval Anastomoses? **762**
Hillary J. Braun and John P. Roberts
- 107** What Are The Technical Aspects of Dealing with Anastomotic Mismatches in Liver Transplantation? **768**
Martin I. Montenovo and Jorge D. Reyes
- 108** Options For Aortohepatic Conduits in Liver Transplantation: When to Use What? **775**
Peter T.W. Kim and Goran B. Klintmalm
- 109** Biliary Reconstruction for Liver Transplantation in Patients with Primary Sclerosing Cholangitis: Which Approach is Best - Choledochocholedocostomy or Roux-en-Y Hepaticojejunostomy? **783**
Kyle R. Jackson and Andrew Cameron
- 110** What Are The Technical Strategies in Retransplantation? How to Explant the Liver? Anastomotic Variants and Approaches? **788**
Flavio Paterno, T. Mark Earl, and Shimul A. Shah
- 111** When to Use Venovenous Bypass? (Rarely Needed- But There Are Some Indications) **793**
W. Shannon Orr and Christopher D. Anderson
- 112** How to Use Thromboelastography to Guide Blood Product Usage in Liver Transplantation? **801**
Mark S. Orloff, Stewart Jay Lustik, and Majed A. Refaai
- 113** What Are the Intraoperative Coagulation Issues During Liver Transplantation: An Anesthesiologist's Perspective **809**
Emily Baird and Elizabeth Duggan

- 114** What Are the Issues in Intraoperative Management of Patients Undergoing Liver Transplantation: An Anesthesiologist's Perspective **815**
Emily Baird and Elizabeth Duggan
- 115** How Should I Manage Intraoperative Pleural Effusions During Liver Transplantation: Transdiaphragmatic vs Chest Tube Drainage? **822**
T. Mark Earl and Siddharth Desai
- 116** Is tPA Protocol with Infusion into the Recipient Hepatic Artery in Donation After Circulatory Death (DCD) Livers to Prevent Ischemic Cholangiopathy Useful? **825**
Nicolas Goldaracena and Paul D. Greig

POSTOPERATIVE DILEMMAS

- 117** How Should I Manage Hepatic Artery Thrombosis After Liver Transplantation? **828**
Mary Decoteau, Jamie Case, and Christopher Lee Marsh
- 118** How to Manage Portal Vein Thrombosis in Liver Transplantation? **835**
George E. Loss, Jr. and David S. Bruce
- 119** How Should I Manage Early Venous Outflow Obstruction in Liver Transplantation? **842**
C. Kristian Enestvedt and Erin Maynard
- 120** How Should I Manage Biliary Strictures and Leaks After Liver Transplantation? **847**
Juan F. Guerra and Alberto Espino
- 121** What Are The Indications and Timing for Liver Retransplantation? **851**
Erin C. Maynard
- 122** What Should I Look for in a Liver Transplant Recipient Who Has a Fever? **856**
Sui Kwong Li and Lynne Strasfeld
- 123** What Are the Common Perioperative Cardiac Events During and After Liver Transplantation? **862**
Elliot I. Grodstein and David P. Foley
- 124** When Should You Repair an Umbilical or an Inguinal Hernia in a Cirrhotic or a Post-Liver Transplant Patient? **870**
Vijay Subramanian and Majella Doyle
- 125** What Are the Updates on Immunosuppression in Liver Transplantation? **876**
Joshua J. Wiegel
- 126** What Are the Complications and Management of Immunosuppressive Therapy in Liver Transplant Recipients? **886**
Domenica McKenna, and Ali J. Olyaei
- 127** What Are the Indications for Early Reoperation Following Liver Transplantation? **895**
Ashley Suah, Adam S. Bodzin, and J. Michael Millis

PANCREAS TRANSPLANTATION

- 128** Is There a Role for Islet Cell Transplantation in Patients with Type I Insulin-Dependent Diabetes Mellitus? Should Islet Cell Transplant Be Considered for Type II Diabetes Mellitus Patients? **905**
Steven A. Wisel and Peter G. Stock
- 129** When Should Pre-emptive Solitary Pancreas Transplant Be Considered for a Patient with Type I Diabetes Mellitus? **911**
Adarsh Vijay, Matthew Cooper, and Peter Abrams
- 130** What is the Utility of Simultaneous Pancreas Kidney Transplantation in Patients with Advanced Diabetic and Kidney Disease? **916**
Dixon B. Kaufman
- 131** Who Should Get a Pancreas Transplant, Which Technique and How to Manage Its Rare Complications? **922**
Hosein Shokouh-Amiri and Gazi B. Zibari
- 132** How Should One Manage Pancreatic/Duodenal Leak after Transplantation: Observation, Stenting, Percutaneous Drainage or Surgical Correction? **929**
Leigh Anne Dageforde and Jason Wellen
- 133** A Patient is Two Years Post Pancreas Transplant with Bleeding from the Donor Arterial Conduit Aneurysm. What is the Role of Surgery and Interventional Radiology?" **937**
Armando Ganoza and Abhinav Humar
- 134** A Pancreas Transplant Recipient Has Acute Allograft Dysfunction: What is the Differential Diagnosis and How Should It Be Managed? **942**
Neeraj Singh, Aleksandra Kukla, and Jon S. Odorico

TRAUMA

SECTION EDITOR: Mallory Williams

HEPATIC TRAUMA

- 135** Is There a Role for Non-Operative Management of Patients with Right Upper Quadrant Penetrating Trauma? **949**
Adil Shah and Edward E. Cornwell, III
- 136** Is There a Role for Operative Management of Blunt Hepatic Trauma in the “Nonoperative Management Era”? **952**
Matthew Benms and J. David Richardson
- 137** How Do We Best Manage Traumatic Retrohepatic Inferior Vena Cava Injury? **960**
Alfred E. Baylor, III and Robert F. Wilson
- 138** A Patient with Non-Expanding Hematoma from Vena Caval Injury Due to Penetrating Injury. Is There a Role for Percutaneous Stenting? **966**
Sean Rogers and Farzad Alemi
- 139** What is the Role of Vascular Shunting for Major HPB Trauma? **970**
Chad G. Ball and Amar Gupta
- 140** What is the Role of Hepatic Transplantation for Hepatobiliary Trauma? **975**
Rupak D. Kulkarni and Jeffrey H. Fair
- 141** How Should We Manage Gallbladder Injury Concomitant with Hepatic Trauma? **985**
Jon D. Dorfman and Heena P. Santry
- 142** What Are the Different Hemostatic Techniques in Hepatic Trauma? **988**
Lenworth Jacobs
- 143** How Do We Manage Hepatobiliary Injuries & Their Complications? **995**
LD Britt

PANCREATICODUODENAL TRAUMA

- 144** How Do We Manage Trauma to the Distal Pancreas: Is Splenectomy Always Required? **1006**
Wayne A. I. Frederick
